

Dear valued friends and clients,

BIMC Hospital Nusa Dua has been chosen as one of the official partner facilities for the upcoming APEC Summit 2013, held in Nusa Dua, Bali from October 1st to 8th.

All 21 leaders from APEC member countries are expected to attend including Australian Prime Minister Kevin Rudd, Chinese President Xi Jinping, Indonesian President Susilo Bambang Yudhoyono and American President Barack Obama.

During the summit, strict security measures in the Bali Tourism Development Corporation (BTDC) area of Nusa Dua will be in place. It is recommended for those doing business or planning visits to Nusa Dua to make themselves aware of potential delays and disruptions (see below).

- BIMC Hospital Nusa Dua will be open to the public during the APEC Summit 2013. However, due to the heightened security in the area, we advise patients to contact us prior to your visit in order for a pick up to be arranged outside of the BTDC security gate entrance.
- During the APEC Summit, BTDC Nusa Dua will only permit registered persons with a valid ID Card to enter or exit the area between 6-7am and 6-7pm, otherwise, only previously registered and approved vehicles will be able to enter BTDC gate.
- We encourage patients and partners to visit BIMC Hospital Kuta as an alternative during this period.
- In the event of an emergency, please call: +62 361 3000911 (BIMC Hospital Nusa Dua) or +62 361 761263 (BIMC Hospital Kuta). Our ambulances will be on hand as usual.

Please also be aware that Ngurah Rai International Airport will be partially closed from October 5-8.

- 5 October 2013: airport closed from 10.00am to 4:00pm
- 6-7 October 2013: airport closed from 10.00am to 8:00pm
- 8 October 2013: airport from 10.00am to 4:00pm

Kind regards,
BIMC Hospital Group
